

Slim Wall Enclosure

The Slim Wall Enclosure is a sturdy solution for mounting equipment to the wall Where floor space is limited. Perfect for classrooms and retail stores. Equipment can mount vertically or horizontally.

This Enclosure uses distinctive equipment to maximize interior space. The cabinet can hold a switch, server, horizontal cable manager, patch panel, fiber service loop and fiber-optic patch panel with room to collaborate with other mounting needs.

Removable top (without tools) can be mounted so that the “top panel” becomes the side panel.

- 19” EIA Threaded Equipment Rails
- Steel Construction
- Removable top panel provides direct access to equipment without disturbing other devices
- Fan Kit included.
- Rail Hardware is Included.
- Wall Mount Hardware NOT Included
- Made of Steel
- Static load rating 100lbs

Part Number	Overall Dimensions			Shipping Weight
	Height	Width	Depth	
4001-X-02	26	26	5	45
4001-X-04	26	26	8.5	50
4001-X-06	26	26	12	57
4002-X-02	36	26	5	60
4002-X-04	36	26	8.5	65
4002-X-06	36	26	12	72

Replace “X” with 01 for White, 02 for Black or 04 for Gray
